Information Brief

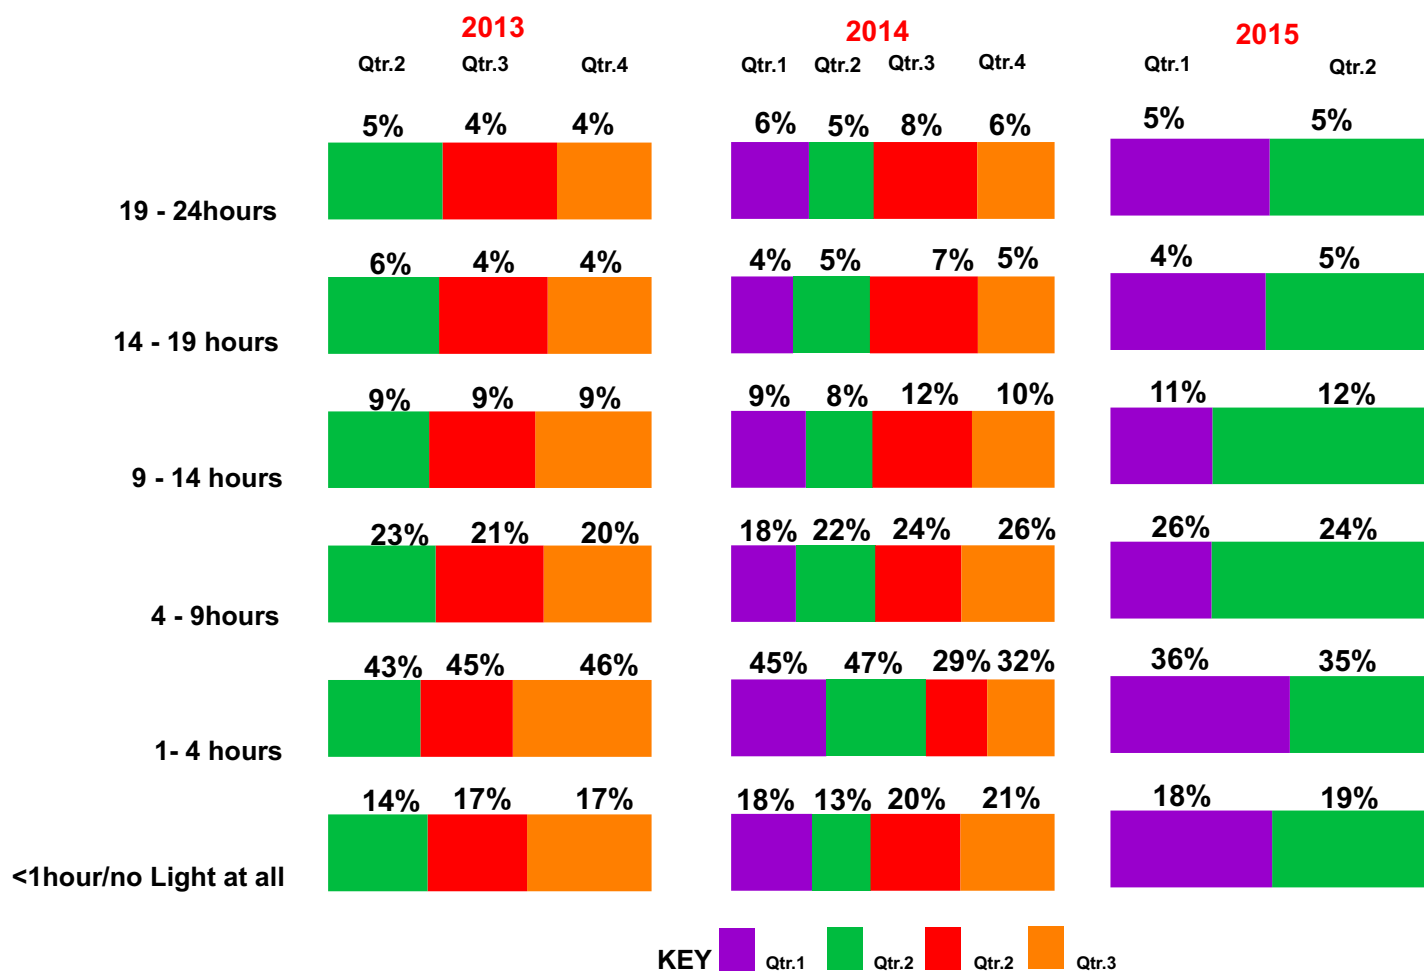

Vol.32 No.3 August 2015

On The Average, How Many Hours Of Cumulative Power Supply Do You Receive In A Day?

Quarterly Cumulative Direct Power Supply Received by Consumers

Survey Methods

The opinion poll was conducted from Q2 2013 to Q2 2015. It involved telephone interviews of a random nationwide sample. 27,000 phone-owning Nigerians aged 18 years and above, representing the six geopolitical zones in the country, were interviewed. NOIPolls Limited, No1 for country specific polling services in West Africa, works in technical partnership with the Gallup Organisation (USA). We conduct periodic opinion polls and studies on various socio-economic and political issues in Nigeria. More information is available at www.noi-polls.com

NOIPolls is the *No. 1 for credible country-specific polling services in the West African region*. We partner with Gallup USA to develop opinion research in Nigeria. We deliver forward-thinking research and relevant data on public opinion and consumer markets on a range of topics. We enhance the activities of decision makers across all the vibrant sectors of the Nigerian economy.

We partner with policy makers, governments, donor agencies, civil societies, corporate organisations and the media to enhance their data set of information, ultimately adding value to their output.

We have four core area of competence: **Polling, Analytics, Databank Management, and Strategy**
